## TPM2 - GERMANY ONLINE

### WP1: Coordination and Management (L4Y & CIP)

Financial Reporting: L4Y is finalizing the Financial Report and creating a sub-activity checklist for final approval.

WP Delivery Strategy: Delivery strategy is in place; most KPIs have been achieved, though some are still pending.

Quality Assurance: CIP confirmed strong results across WPs, with no major concerns.

Risk Management: Risk assessments are complete, and no further issues are expected.

Impact & Advisory Board: Monthly meetings are ongoing, with the 2nd IA Board Meeting which will be organised by L4Y.

### WP2: Pedagogical Guidebook (PFA)

Educational goals have been met, and all feedback is favorable. One validation session is still pending and will be conducted during the WP4 Local Lesson Sessions (A4.5).

### WP3: Digital Game (CHALLEDU)

The game has been successfully developed with 75% of participants confirming its clarity and usability.

No outstanding issues or additional tasks were reported.

### WP4: Practical Learning Module and AgroLabs (CIP)

The Final Questionnaire Evaluation has been distributed, and data collection is ongoing. Partners are completing AgroLabs sessions to provide final results for evaluation.

### WP5: Dissemination, Exploitation & Sustainability (L4Y)

Partners discuss about the translations of blog posts. And incoming Multiplier Events

## INCOMING ACTIVITY

Second IA Board Meeting will be held on December.

The Grand Friend -  
"Intergenerational Hub for the Amelioration of Sustainable Agricultural Practices and Entrepreneurial Mindset"

The Grand Friend Project aims to unite the older and younger generations, bridging knowledge gaps to stimulate sustainable agricultural practices. Our objectives include highlighting the role of Intergenerational Programmes in sustainable farming, fostering active citizenship among experienced agro-entrepreneurs, promoting the youth's engagement in eco-friendly practices, and addressing cross-generational challenges in agriculture.

## WP4: MULTIPLIER EVENT

## WP4: GRAND FRIEND PRACTICAL LEARNING MODULE AND AGROLABS

**Local Lessons Sessions (LLS)** all of the partners organises Local Lessons Sessions and few of them will organise the **AgroLabs** separately to help participants develop business plans, applying the knowledge gained from the sessions.

### EDUCATIVE SONGS

L4Y created 10 songs for GrandFriend Project and they are listed in a [blog post with Lyrics in here](#). And the [Full Album is here](#). Name of the songs are below;
